✓ ***The Orden del Quetzal en Grado de Gran Cruz* granted by the Government of Guatemala in 1999**

1986

He was the organizer of the *"First Meeting on Food Composition Tables for Latin America and the Caribbean"* (Guatemala, November, 1986)

✓ Main achievements: the establishment of the regional network's structure and the formation of a work team with representatives from all Latin American countries who strengthened and promoted the development of LATINFOODS

2007

He continues contributing with ideas and knowledge to our organization with positive repercussions for the improvement of the health and nutrition of our people

Without doubt, his disciples and colleagues know that in him we will always find a friend, a workmate and a person willing to continue teaching and giving guidance

*Al distinguido Dr. Ricardo Bressani
nuestro más profundo
agradecimiento y admiración por su
trabajo pionero y visionario en
la creación de la Red LATINFOODS*
